**2018 – 2019 Esperanza High School Cheerleading
Parent Permission Form**

My daughter/son, _____, has my permission to tryout for the Esperanza High School Cheer Squad for the 2018-2019 Cheer Squad season. I understand that my daughter/son will be evaluated by the Esperanza High School Cheerleading coaches and qualified judges. I understand that tryout results are final and agree to abide by those results. Furthermore, I understand that there is a possibility that my daughter/son may not make the program. I understand the commitments and duties that will be expected of my child and myself should he/she make the program. I am also aware of the approximate costs involved with participating in the program. If my child is selected, I give my permission for him/her to participate as a cheerleader. Furthermore, I agree that my child will attend all assigned Cheer Squad functions throughout the 2017-2018 season and abide by the rules listed in the Cheerleading Handbook. I am also aware of and will abide by the parent/guardian guidelines and expectations, as listed in the Cheerleading Handbook.

I understand that cheerleading carries a risk of physical injury. Esperanza High School and its coaching staff take all of the necessary precautions to keep the athletes safe; however, the risk of injury can never be fully eliminated. The risk includes minor injuries (sprains, muscle pulls, etc.) to major injuries (broken bones, concussions, etc.) to catastrophic injuries (paralysis and death). I understand these risks and will not hold Esperanza High School, the Placentia Yorba Linda School District or any of its employees responsible in the case of accident or injury.

Letter of Intent

I understand that if my athlete is accepted into the Cheealeading program, he/she may be placed on a team that attends an out of state competition. Examples of possible out of state competitions include, but are not limited to: UCA Nationals (Orlando, Fl.), NCA Nationals (Dallas, TX.), & Jamz Nationals (Las Vegas, NV.) Teams are not guaranteed a chance to compete out of state. However, those teams that are selected to do so will attend a maximum of 1 out of state competition per season. Teams will be notified of any out of state competition by the start of that season’s competition choreography dates (typically in July/August).

I understand that if my athlete is placed on a team that is scheduled to attend an out of state competition, it is mandatory that my athlete attend. I understand that it is my responsibility to fund my athlete’s expenses for the trip – either through donations, sponsorships, and/or fundraising.
